

Clean-It “Glass”

~10 : 1 Concentration Level ~

Part # 261

Description

Protect-It Car Care’s Clean-It “Glass” is a concentrated ammonia free glass cleaner formula. Easily cleans glass and removes finger marks, smudges, greasy hand prints and more. Recommended for a variety of hard surfaces including chrome, porcelain, ceramic tile and of course glass & mirrors.

Directions

Protect-It Car Care’s Clean-It “Glass” is a highly concentrated glass cleaner. Mix 1 part Clean-It Glass to 10 parts clean water. (For best results use reverse osmosis, distilled or deionized water). Spray a light mist onto surface, completely wipe over surface and polish dry with a clean lint free towel or microfiber.

Available Sizes

- 1 Gallon (3.79 L) - Part # 26101
- 5 Gallons (18.9 L) - Part # 26105
- 55 Gallons (208.2 L) - Part # 26155

First Aid

FIRST AID: EMERGENCY PROCEDURES

Eye Contact: Immediately flush eyes with plenty of water for at least 15 minutes while holding the eyelids apart. Contact lenses should be removed if initial flush doesn't wash them out. Get medical attention if reddening persists or irritation continues.

Skin Contact: Wash skin thoroughly with soap and water. If irritation persists, get medical attention. Change contaminated clothing and launder before reuse.

Inhaled: Remove to fresh air.

Swallowed: DO NOT GIVE ANYTHING BY MOUTH TO UNCONSCIOUS PERSON. DO NOT INDUCE VOMITING, unless directed to do so by medical person. Give two glasses of water and get medical attention immediately.
