

## Deodorize-It

~ Eliminates Odors At the Source ~

**Part # 207**

### Description

Protect-It Car Care's Deodorize-It is a revolutionary odor neutralizing agent. Deodorize-It is not a simple odor masking product, this product kills odors directly at the source and prevents new odors from growing. From cigarette smoke to pet odors, Deodorize-It will eliminate the toughest odors on contact.

### Directions

Protect-It Car Care's Deodorize-It is a concentrated odor eliminator that requires no wiping. To use, simply spray directly on the source of the odor. Deodorize-It will start to work directly on contact. If odor problem is bacteria based, such as milk or urine. Try our new Clean-It "Enzyme". Deodorize-It should be diluted to the following levels.

- 1:1 For cigarette odors.
- 9:1 For heavy lingering odors.
- 10:1 - 30:1 For light odors.
- 2 to 4 oz. mixed directly into extractor solution tank.

Note: Always test Deodorize-It in an inconspicuous area prior to using. All though this product contains no dyes and is rare to have any discoloration on very light surfaces. It is always better to practice precaution when applying Deodorize-It.

### Available Sizes

- 1 Gallon (3.79 L) Part # 20701

### First Aid

#### FIRST AID: EMERGENCY PROCEDURES

**Eye Contact:** Immediately flush eyes with plenty of water for at least 15 minutes while holding the eyelids apart. Contact lenses should be removed if initial flush doesn't wash them out. Get medical attention if reddening persists or irritation continues.

**Skin Contact:** Wash skin thoroughly with soap and water. If irritation persists, get medical attention. Change contaminated clothing and launder before reuse.

**Inhaled:** Remove to fresh air.

**Swallowed:** DO NOT GIVE ANYTHING BY MOUTH TO UNCONSCIOUS PERSON. DO NOT INDUCE VOMITING, unless directed to do so by medical person. Give two glasses of water and get medical attention immediately.
