

Dry-It

~ Concentrated Tunnel Rinse Aid ~

Part # 361

Description

Protect-It Car Care's Dry-It is a rinse style wax additive containing biodegradable drying agents, water-soluble solvents and surfactants. Dry-It will leave you automobile finish with a "just waxed" looking finish and aid in the drying process while preventing hard water from leaving behind calcium deposit water spots.

Directions

Protect-It Car Care's Dry-It is designed to be diluted up to 240:1. Application should be specific to automated car wash system dilution ratio. Dry-It can also be used in a wash bucket by adding 1 ounce to a five gallon bucket to help the drying process.

Available Sizes

- 5 Gallons (18.9 L) - Part # 36105
- 30 Gallons (113.6 L) - Part # 36130

First Aid

FIRST AID: EMERGENCY PROCEDURES

Eye Contact: Immediately flush eyes with plenty of water for at least 15 minutes while holding the eyelids apart. Contact lenses should be removed if initial flush doesn't wash them out. Get medical attention if reddening persists or irritation continues.

Skin Contact: Wash skin thoroughly with soap and water. If irritation persists, get medical attention. Change contaminated clothing and launder before reuse.

Inhaled: Remove to fresh air.

Swallowed: DO NOT GIVE ANYTHING BY MOUTH TO UNCONSCIOUS PERSON. DO NOT INDUCE VOMITING, unless directed to do so by medical person. Give two glasses of water and get medical attention immediately.
