

Seal-It "Paint"

~ Total Paint Protection ~

Part # 292

Description

Protect-It Car Care's Seal-It "Paint" protects your paint against the harsh daily elements your automobile goes through. Seal-It "Paint" provides a tough, long-lasting, mirror-like finish that protects your paint longer. Seal-It "Paint" is one of three product manufactures under the Seal-It line designed to give your automobile total protection.

Directions

Protect-It Car Care's Seal-It "Paint" can be used by either hand or with a high speed polisher. Before application make sure paint surface is clean and free of any fallout or debris. Apply a small amount of Seal-It "Paint" directly to the surface and buff by hand with an applicator pad or with a high speed polisher using a soft black foam finishing pad with moderate pressure at a low speed. Wipe clean with a soft towel or microfiber. Do not wash automobile afterwards for a 24 hour period. This will give Seal-It "Paint" plenty of time to cure on the finish.

Available Sizes

- 1 Gallon (3.79 L) - Part # 29201

First Aid

FIRST AID: EMERGENCY PROCEDURES

Eye Contact: Immediately flush eyes with plenty of water for at least 15 minutes while holding the eyelids apart. Contact lenses should be removed if initial flush doesn't wash them out. Get medical attention if reddening persists or irritation continues.

Skin Contact: Wash skin thoroughly with soap and water. If irritation persists, get medical attention. Change contaminated clothing and launder before reuse.

Inhaled: Remove to fresh air.

Swallowed: DO NOT GIVE ANYTHING BY MOUTH TO UNCONSCIOUS PERSON. DO NOT INDUCE VOMITING, unless directed to do so by medical person. Give two glasses of water and get medical attention immediately.
