

Shampoo-It

~ High Foaming Action ~

Part # 226

Description

Protect-It Car Care's Shampoo-It is a ultra concentrated carpet and upholstery shampoo that is fortified with optical brighteners, specialty cleaners and now with a speed booster to help cut the drying time down. Shampoo-It will lift ground in dirt right out of the surface and leave you with a factory clean look!

Directions

Mix Protect-It Car Care's Shampoo-It in a pail and whip product up to create a high foam. Remove as much debris as possible with a vacuum before application. Using a wash pad or brush, submerge into the foam and or solution and scrub. Extract excess water with a wet/dry and scrub area with an upholstery prior to cleaning. Extract excess water with a wet/dry vacuum when finished. Shampoo-It should be diluted to the following levels.

- 30:1 For general cleaning of vinyl, leather, and velour.
- 10:1 For carpets and floor mats.
- 5:1 - 1:1 For pre-spot treatment
